Visit "[Friend Song](#)" on MotoLyrics.com

The best I can hear - I have chronic lyricosis.

-I can tell you things that I have never told no one.  
-I can sing you songs that I have never sung [no one ||  
but once].  
-I don't have to know it's late to open up my [shades].  
-Seeing is believing, 'cept when you walk through my  
day.

(Chorus)

-Here comes the morning, cool cool morning.  
-Time won't remember, the [faith] less [morning ||  
warning].  
-Need no reminder, that you're my truest friend and  
confidant.

-Mountain high and river low, through the oceans we  
will [go || flow].  
-I haven't heard your voice for many tears and years  
and fears ago.  
-Singing songs and walking 'long, and then from time  
we will gather 'round.  
-Seeking simple greetings. Goodbye. Hello. How are  
you ?

(Chorus twice 'cept 1st time this difference)

-Here...  
-Time...  
-How many mornings, are you my truest friend and  
confidant ?

-I fell into a pond, and down below I found a friend.  
-He told me I would never see the light of day again.  
-He handed me a book, inside he [proudly] wrote my  
name.  
-The cover read "This Is To Be The Life You Live My  
Friend".  
-The pages were many, of times and sorrows.  
-Still not as many, as friends tomorrow.  
-Walk with me softly, for you're my truest friends and  
confidants.  
-When I call you friend and confidant.

-You're my secret friend and confidant.
