Ã-Â»Â¿Drivin 'N' Cryin Indian Song

I am an indian  
I've been travelin through your highways  
and your byways  
I found that years ago  
I live so peaceful  
living and dying underneath the blue skies  
I am an Indian  
I've been travelin  
found my ownway  
through the causeway  
I've climbed a mountain  
to find my family found them in a glass case  
in the smithsonian  
I am an Indian  
you broke your promises  
All I have is blue skies  
the skies are blue  
the skies are blue  
the skies are blue  
hope you are too  
push me out push me out  
push me out on the wrong road  
push me out push me out  
push me out on the soul road  
push me out push me out  
push me out on the high road  
oh do you let me settle down  
and find my selfish way  
Oh Caligia was an indian  
steering westward  
down main street again  
push me way out to the desert  
fence me in with rattlesnakes and whiskey  
I am an indian  
you broke your promises  
All I have is blue skies  
The skies are blue  
the skies are blue  
the skies are blue  
for you

the skies are blue  
the skies are blue  
the skies are blue  
for you  
the skies are blue  
the skies are blue  
the skies are blue  
for you too  
The sky  
The sky  
The sky  
The sky  
The sky
