I said IÃfÃçâ, -Ã™ m so used to writing songs
about whatÃfÃçâ, -Ã™ s right; about whatÃfÃçâ, -Ã™ s
wrong
about never leaving in times that are hard
but then I never wrote whatÃfÃçâ, -Ã™ s in my heart

But itÃfÃçâ, -Ã™ s about time
I said itÃfÃçâ, -Ã™ s been so long
that I should write my
first love song

I said you mean everything

Well IÃfÃçâ, -Ã™ m felling partial when
youÃfÃçâ, -Ã™ re gone
I said only itÃfÃçâ, -Ã™ d be minutes, but days gone
by
but thereÃfÃçâ, -Ã™ s nothing to say,
thereÃfÃçâ, -Ã™ s nothing left
because a bee donÃfÃçâ, -Ã™ t sting to do it best

You know, everybody,
has fallen in love,
maybe fifty,
but maybe just once

I said you mean everything

And now I feel itÃfÃçâ, -Ã™ s time to say
itÃfÃçâ, -Ã™ s time to love and itÃfÃçâ, -Ã™ s time to
care

and though IÃfÃçâ, -Ã™ m not the kind
for premature prose
IÃfÃçâ, -Ã™ m just trying to tell you
that IÃfÃçâ, -Ã™ ve been alone

I said you mean everything
I said you mean everything
I said you mean everything
