Thank God for your hair and your... eyes... and...
Thank you for your hair and your eyes and your gums,
Thank God for your hip bones and your plavey and
your buns,
Thank God...
Thank you for your nose and always keeping it in my
business,
Thanks for your concern about my sleep and my
fitness,
About my sleep and my fitness.

Hi there Tracey,
I miss you more than Thursday,
But I am with you now,
Oh thank God for your birthday yeah,
Said thank God for your birthday yeah.

I can't wait to be eighty-eight so we can drive off a cliff,
But right now it's your birthday and I'm poor so here's
my gift,
I can't wait to see you again,
I hope it's not three days,
I can't wait til your president,
I hope it's in three days,
I said I hope it's in three days.

Hi there Tracey,
I miss you more than Thursday,
But I am with you now,
Oh thank god for your birthday
Said hi there Tracey,
I miss you more than Thursday,
But I am with you now,
Oh thank god for your birthday yeah,
Said thank god for your birthday yeah.

Thank God for your birthday yeah,
Thank God for your birthday yeah.

Milkshakes,
Are pretty fucking tasty,
But I enjoy you more,

Because your Tracey,
And I love you,
So much.
