Breathe in and breathe out 2x

Hungry, lying in wait for
Searching prey just being a carnivore
Seeking slightly sneaking living instinct
Blind of the beat in the chest that pounds

Red-eyed, tunnel-view fight
For the section, one direction
Psycho horror, feel the power
Rip the Hip off

Seems disgusting, worst construction,
My opinion: Natural being

Chorus:
Run as fast as possible,
Natural killing hard and cruel
Under attack - yeah this is natural
Under attack - so fucking natural

Run as fast as possible,
Splatter killing, mortal blow
Under attack - yeah this is natural
Under attack - so fucking natural

Short decision, killing mission,
Out of cover, one another

Upside down on the lunch plate,
Set the banquet
Stifle the quarry's last despair,
Act just like you have learned it,
Show no mercy,
Top of the food chain, no rival there

Breathe in and breathe out

Chorus:
Run as fast as possible,
Splatter killing, mortal blow
Under attack - yeah this is natural

Under attack - so fucking natural

Breathe in and breathe out 2x

Short decision, killing mission,
Out of cover, one another

Chorus:

Run as fast as possible,
splatter killing, mortal blow
Closer...closer...closer...cut!
