#### Verse1

Lyin' here tryin' to understand  
What you did to my body last night  
Reached my pinnacle so many times  
You must've been in overdrive  
I'm wonderin' when  
I can see you again  
'cause I've turned into a nympho for you  
A junkie addicted to you

#### Pre-hook

I don't care if you have someone else  
I'm willing to keep this discreet  
Just as long as you're down  
To get freaky with me,oh

#### Hook

I don't need you to love me  
And I don't need you to care  
Just please me, tease me  
Scold me, and control me  
And come over.....  
And don't forget to wear your sexy underwear

#### Verse 2

Thinkin' 'bout how you tied my hands  
And rubbed ice up and down my chest  
Then you poured on me hot candle wax  
And scared me almost half to death  
I dig how you're kinky that way  
How you'll do anything  
Girl I'll lay the roles that you want me to play  
And act out all your fantasies

#### Pre-hook

I don't care where you learned all these things

Fact is that I'm grateful you did (it's fun and  
adventurous)  
Baby, I'm down on my knees  
For you to come lay it on me

Repeat hook

Bridge

I can't recall all the things you did to me last night  
All I feel are the stings from the scratches on my back  
And that delicious pain baby never felt so right  
So can I get some more of that baby  
Because I've turned into a nympho for you  
A junkie addicted to you.

Repeat hook
