verse1

Girl, why you cryin' on my shoulder
talkin' 'bout how he's being mean to you
why can't you tell him that it's over
and give his ass the boot
you keep on clingin' on to the hope he'll come around
well I hate to let you know baby girl
that one day he's gonna beat you down

you think he's different (no!)
you think he loves you (hell no!)

hook

He don't know sh#t about love
you gotta move on
gotta open your eyes
gotta be strong
and realize
he only cares about himself
He don't know sh#t about love
you may be blind and I know
you're gonna do what you're gonna do
but I swear
if he ever lays a hand on you
I'll break the mutha fucka in two

verse 2

Does it turn you on
when he says that he's out with his friends
then they call asking where he's gone
is this your idea
of a love that's real
no I don't think so
if you had a little girl would you want her to
find a man like that
oh no

he's lied to you
he's cheated on you

is that the kind of man you dreamed of
I don't think so
'cause if you ask me

repeat hook

bridge

He don't know sh#t about love
pretty mama
can't you see that he's no good for you
don't be no fool
no!

repeat hook 2x
