Same old show
Different town
Heaven knows what you've been doing all night long...

Are you having trouble sleeping
Are you having trouble sleeping
On The run?
On the run?

There's no doubt, in my mind.

I'll take my time
Playing with the hearts of everyone I touch
Of everyone I touch!
I'll take your heart, string it with the rest
And hang it from my neck
Hang it from my neck!

Over and over again
How can I forget?
Forget you're timeless

Are you having trouble sleeping?
Are you having trouble sleeping?
On the run
On the run

Now it's a show, so lose those clothes
Fake a smile, take your time baby
You've got nothing to lose, so set the mood
Break a leg, take your time, baby
Take your time, baby
Take your time.

You got me right where you want me,
Now take your time.
Take your time.
Set the mood (baby), set the mood (baby)
Set the mood (baby)
Now take a bow.

Are you having trouble sleeping

Are you having trouble sleeping
On the run?
On the run? (x2)

I'll take my time,
Playing with the hearts of everyone I touch,
Of everyone I touch!
I'll take your heart, string it with the rest,
And hang it from my neck,
Hang it from my neck!

I'll take my time,
Playing with the hearts of everyone I touch,
Of everyone I touch!
I'll take your heart, string it with the rest,
And hang it from my neck,
Hang it from my neck!
