Oh shit, shake that ass ma, move it like a gypsy,
Stop, whoa, back it up
Now let me see your hips swing
Oh shit, shake that ass ma, move it like a gypsy.
Stop, whoa, back it up
Now let me see your hips swing

Now drop it low and let me see your hips swing
Down to the floor, now let me see your hips swing
Now drop it low and let me see your hips swing
Down to the floor, now let me see your hips swing

Uh oh, lean back, girl you got some mean racks
You got a mean ass and I really mean that
But can't you see that I need a girl that can move
Make her hips swing and look just like you

But come to think about it,
I think this club is crowded
It's kinda hard to do your thing when
Everyones surrounding
So let me form a circle, everbody step back
I heard somebody yell
"Stills where the chorus at?"

Oh shit, shake that ass ma, move it like a gypsy,
Stop, whoa, back it up
Now let me see your hips swing
Oh shit, shake that ass ma, move it like a gypsy.
Stop, whoa, back it up
Now let me see your hips swing

Now drop it low and let me see your hips swing
Down to the floor, now let me see your hips swing
Now drop it low and let me see your hips swing
Down to the floor, now let me see your hips swing

Oh na na oh na na
That's what I say when I hit the door
She got it dope
Go shake it shake it on the floor
Get low swing your hips with it

Hit the script look back
Get it, hit it, hit it

Back it up, back it up
Go and do that thurr
Ooh I like that
Let me pull your hurr
You are hear my drain low
And she got straight low
And the club don't close till I say so

Oh shit, shake that ass ma, move it like a gypsy,
Stop, whoa, back it up
Now let me see your hips swing
Oh shit, shake that ass ma, move it like a gypsy.
Stop, whoa, back it up
Now let me see your hips swing

Now drop it low and let me see your hips swing
Down to the floor, now let me see your hips swing
Now drop it low and let me see your hips swing
Down to the floor, now let me see your hips swing

Knees bent, ass out, come on push your ass out
(Let me see your hips swing)
Bring it up then back down. bring it up then back down
(Let me see your hips swing)
All my ladies on the floor, all my ladies on the floor
(Let me see your hips swing)
Pick it up then dip it low, pick it up then dip it low
(Let me see your hips swing)

Oh shit, shake that ass ma, move it like a gypsy,
Stop, whoa, back it up
Now let me see your hips swing
Oh shit, shake that ass ma, move it like a gypsy.
Stop, whoa, back it up
Now let me see your hips swing

Now drop it low and let me see your hips swing
Down to the floor, now let me see your hips swing
Now drop it low and let me see your hips swing
Down to the floor, now let me see your hips swing
