You've now entered the quest to, the black triangle  
Now you know the reason for the Black Mafia theory,  
hahaha  
Yes it has many meanings, but no matter how you  
define it  
It still comes out black  
See it's just a hair trim  
So you can call it what you want

[2Pac]

Now I clown around, when I hang around, with the  
Underground  
But when I'm with the Mafia we DROPPIN YA  
And if you're a hoe then I'll be knockin ya, baby why not  
You shouldn't jock me cause I'm popular  
The group with the glock, I love to pop the gun  
Coppers get shot, they shouldn't try to stop the Mafia  
2Pac'll pack a person, pump the trunk  
I'm bumpin G-Funk, but you can call it what you want  
How many times I gotta tell ya, don't ignore me  
Either be my hoe or hit the do', you're nothin for me  
(see ya!)  
That's why I love to go on tour G  
Scores of whores behind the door, a nigga's naughty  
Now, I'm sippin on a forty  
So you can call it what you want just pass the blunt and  
kick it Money

[Money B]

Well, I am the danger, THE DANGER, similar to a killer  
I rhyme for rounds of conflicts chomp and stomp em  
while y'all chillin  
In Tokyo, check it as I choke a slow poke rapper  
Capped his ass faster, than a half of pound of crepes'll  
go on Mother's Day  
First and fifteenth, another way of sayin it  
I got new clips so trip but it's OK to get your crew  
Cause ooh I'll send your team to the showers  
They true and do and rippin and got the Wonder Twin  
powers  
I devour much venom, lunch breaks I shit em, I just

stink

Whaddya think, this is a threat? Just forget about it

Come back, you're done black, see Cutty was the stopper

But you'll call me the indo when I chop ya with the shopper

Sting ya with the stinger, flex the trigger finger

I blow you to bits and I be gettin a kick out of grabbin the mic and flingin

Lyrics with the maximum security

I smoke a spliff but I'm not Jamaican, so won't you let a Yankee Doodle Doo what he hasta, raise my hand and cast a

Hellafied spell you can't tell you better ask a

Weatherman he'll sigh and reply, "You shoulda stayed in the house"

Cause Mon is gonna rain on their parades

[Cold 187um]

Nowww, clear the smoke, and grab a fool by his throat

And don't let him go til he holla holla billygoat

Now Money Money Money B, once said to me

"187 why you wanna be a G?" Wellllll..

I like to clock big G's, and hang out all night

And never worry bout a bitch, cause she can't tell me shit

Plus, money money is a pimp thang (what?)

Cause see if you was in my shoes, you'd be doin the same

So don't ever ever fuck with, I'm a G-er playa

Cause when I'm bustin on a punk, I could never be a customer

Now peep this, cause when I'm goin deep

The only customers gettin served in the housssse, is the pussy I freak

They wanna pop that ying-yang

I tell em, "Sit down, shut up bitch, and let me kick game" (y'know)

Cause hoes always be sayin they got it goin on but if they wanna

Get with a nigga like me they gotta pay a fee, I am not

The No Mack Nigga, from the planet called Silk

I'm from the planet Black Mafia Life, that freaks pimps

Yo, come take a sip of the psycho-mega-

Pimpsome-hoesta-must-be-a-playa

Now hold up, wait a second

Nah, I fucked you bitches on the last record, yo

It's like I'm high on a raggamuffin spliff

Me the dope sound what a man, the myth (come)

Mon they wanna see me fade shit, like I did last year

So I POST on em, then I COAST on em

No I never never never had a murder rap  
And if you snitch you say I did it you're bound to get  
your neck snapped  
So there it is, and how it's gonna be  
So I pass the joint, to my man KM.G

[KM.G]

Well you can call it what you want but if you don't  
I'm still a nigga with a pimp strut, ooh, a macadamia  
nut  
Ah-say what you want, I'm workin for a cha-ohh  
Well alright, you little silly ass hoe  
Now when you want to rhyme to boo and get tramped  
(get tramped)  
Give a call to the clinic, ATL's the pimp camp  
And see which playa, is up for the downstroke  
(Cause you skeez-in, cause you broke)  
So toast them hoes like I said before  
I fuck four bitches a day, and I'm lookin for more  
Cause cords of scores of hoes be leavin my house  
Like, BAM, and I'm like, DAMN  
Now my niggaz done labelled me the dangerous  
neighborhood nastyman  
Cause they know I can  
When you wake up in the morning I only give ya five  
pushes  
I'll be out by your garage, awaitin behind the bushes  
Drinkin coffee, smooove waitin to talk see  
Like a true hoe gigolo should be  
See I'm a giant and the rest of them are fakers  
Especially when it comes to the bitches and they  
moneymakers  
A simp nigga hesitate to dish a tramp but I don't  
So ease back Mafioso on the corner, what you, want
