I tried and tried a thousand times I tried to get to You
But I could never move
I had to lie, I'd fall behind and blame it all on You
?Cause I still hate to lose
Oh, oh, oh, oh, oh, oh

Towers fall and kingdoms crumble
The mountains bow and the earth will tremble
At the sound of Your name
At the sound of Your name

The strong man falls to Him who humbles
The plans he made were bound to stumble
And only You remain
Only You remain, oh, oh, oh

I cried and cried a thousands tears I cried because of
You
I lost my one excuse
And I had to die along with everything inside of me
removed
But now I live with You, You
Oh, oh, oh

Towers fall and kingdoms crumble
The mountains bow and the earth will tremble
At the sound of Your name
At the sound of Your name

The strong man falls to Him who humbles
The plans he made were bound to stumble
And only You remain
Only You remain

So man can reach the sky
If he builds his own device
But still he?s far away from You

He?s underneath Your eyes
As he plans his own demise
What?s new to him is old to You
Oh, oh, oh, oh, oh, oh

His kingdom fell and his heart was troubled, yeah
I feel the same, I feel the same

The strong man falls to Him who humbles
He demands a man who won't stumble
And that's why He came
Yeah, that's why He came

Towers fall and kingdoms crumble
The mountains bow and the earth will tremble
At the sound of Your name
At the sound of Your name

The strong man falls to Him who humbles
The plans he made were bound to stumble
Only You remain
Only You remain

Only You remain
Only You remain, oh, oh
