From the corner of nay eye I see a tear rollin' clown  
At the time I couldn't tell whose tear it was  
If it was mine I should bc glad  
That I still function in this cage  
But if it's yours it only makes me more lost  
To see a tear rollin" clan  
To see a tear rolling clown

This is the last call for Ellis Island  
These are the last words I'm ever gonna hear you say  
So goodbye babe, goodbye

I hear sweethearts whisper their undying love  
Above the noise on the quay their voices rise  
They must have something so strong  
in the face of such change  
That they can promise and promise all night  
Oh their undying love, hear their undying love

This is the last call for Ellis Island  
These are the last words I'm ever gonna hear you say  
So goodbye babe, goodbye

Oh what you wouldn't give to bc down  
on the pier once again  
Far away from the cries of this war-weary horde  
Time up there in the clouds must be hard to endure  
When your heart's unsure

It's like a knife in my gut knowing you're taking leave  
I feel I'm sentenced to death without appeal  
I can pretend it's all a dream  
Anil what I'm seeing will disappear  
But the end I can see is all too real  
Knowing you're taking leave  
Knowing you're taking leave

This is the last call for Ellis Island  
These are the last words I'm ever gonna hear you say  
So goodbye babe, goodbye babe  
This is the last call for Ellis Island

These are the last words I'm ever gonna hear you say  
So goodbye babe, goodbye
