"Caught In A Jar"

Now there comes a day, in every man's life where
decisions have to be made: whether to toil, labor or just
plain piss your days away, away, away! got a funny
feeling that my times are caught in a jar.... madness
and insanity have arrived.... know to christ and
everyone else my times are caught in a jar satan's grin
is bearing down on me up in the morn, here comes the
day, god knows i hate it this way when i'm in a casket
life, fighting the wife, neglecting the kids, spending
time on ridiculous bids, the four walls are closing in!
still got a funny feeling that my times are caught in a
jar, madness and insanity have arrived
