- Music: Barton, Lyrics: Casey, McColgan -

I went North to see the Stiff Little Fingers play The kids  
in the Belfast were tearing it up Jake is the punkest  
dude I do declare He got a leather jacket, and the  
spikey hair

Chorus: "We All Fall Down" So Get Up Now "We All Fall  
Down" So Get Up Now

Since '77 they've made music for me and you Playing  
punk rock songs while the bombs they blew Now I  
suspect these songs are about pain and strife But I'll  
tell you this didn't waste their life

Chorus:

"Why Don't You Get Up And Get Out!" (3x)
