- Lyrics: Casey, Music: Barton, Kelly -

Well we started shooting hoops now we're sipping  
Black and Tans From the park to the pub was the  
course we ran The times have changed but friends  
remain My heard and soul's with you Cause one things  
for sure I always swore I'd never turn my back to you

Never turned our back stuck together thru and thru The  
times have changed but my heard and soul's with you  
Wouldn't turn your backs and you didn't walk away  
We'd never run we stand as one and this is what we say

Chorus: Times were tough but the memories remain  
Situation rough but we overcame Side by side one for  
all together we grew Cause when it's said and done I'll  
look back On friends like you!

When I was down and I was out and no one liked my  
games One too many fights and bloody nights for  
which I was to blame But you wouldn't turn you backs  
and you didn't walk away Cause We'd never run we  
stand as one until this very day

Chorus:
