[The Clash cover song]

White riot... i wanna riot. white riot... a riot of my own.
white riot... i wanna riot. white riot... a riot of my own.
black people gotta lot a problems. but they don't mind
throwing a brick. white people go to school. where they
teach you how to be thick. and everybody's doing just
what they're told to. and nobody wants to go to jail! all
the power's in the hands of people rich enough to buy
it. while we walk the street too chicken to even try it.
everybody's doing just what they're told to. nobody
wants to go to jail! are you taking over or are you
taking orders? are you going backwards or are you
going forwards?
