Ride out her open road
Fell to the waste side
Dined on her dirt soul
Ain't willing to pass it by

Went down by the loads
Told time by the moon and sun
Hidin' out in my abode
Said I'm the only one

I'm doin' it 'cause I like it, wishbone
Out of my way to find it, wishbone

Smoke rings above the flames
Bitter sweet aftermath
Dry mouth, I call her name
She leads an easy path

Dark eyes and dark intentions
She'll answer every question
Tied up to have your way
This one is just for play

I'm doin' it 'cause I like it, wishbone
Out of my way to find it, wishbone
Don't bother me while I'm on it, wishbone
You fall apart without it

I wanna break you apart
(I wanna overflow you)
I wanna break you apart

I wanna break you apart
(I wanna overflow you)
I wanna break you apart

We're doin' it 'cause I like it, wishbone
Out of my way to find it, wishbone
Don't bother me while I'm on it, wishbone
You fall apart without it, wishbone

Wishbone, wishbone, wishbone, wishbone
