### "Your Spirit's Alive"

Visit "[Your Spirit's Alive](#)" on MotoLyrics.com

We are the ones who will never be broken  
We are the ones who survive  
This is the sound that brings us together  
You are the one by our side

CHORUS:

And through it all, the spirit's alive  
And through it all, your spirit's alive

You are the memory that lives on forever  
The shadow that stands by our side  
This is the sound that keeps us together  
We are the ones who survive

CHORUS

Farewell my brother  
You're off to the big rink in the sky  
The good lord's between the pipes  
\*And you've got Bavis and Ace on the wing

We are the ones who will never be broken  
We are the ones who survive

CHORUS

This is the sound that brings us together  
You are the one by our side
