Ready, Aim, Fire

You work all fucking week,  
go out on Friday night  
You're looking for some action  
and you settle for a fight

Okay, steady, get ready  
everybody pull in the loot  
We got the equalizer  
it's a 21 guitar salute

It's a 21 guitar salute, it's a 21 guitar salute  
It's a...

Well, I'm sitting here, Drinking my beer  
And I'm waiting for the war  
it's 10 o'clock on a Saturday night and I'm so fucking  
bored

Okay, steady, get ready  
everybody gets to shoot  
We got a 21 gun salution  
it's a 21 guitar salute

It's a 21 guitar salute, it's a 21 guitar salute  
It's a...

[solo]

Okay, steady, get ready  
everybody pull in the loot  
We got the equalizer  
it's a 21 guitar salute

It's a 21 guitar salute, it's a 21 guitar salute

I hear the sounds of marching feet in the distance  
and there's a bloody revolution in the air  
And I know what this looks like, but it isn't  
'cause I just want to blow something up
