I wake up another day
But nothing changed in any way
My eyes are dead and all I see
Is darkness that's surroundin' me

Voices from above I hear
Requiems ring in my ear
Like a zombie from the grave
No more free and just a slave

I'm lying in a prison, into lethargy I dive - buried alive

Feelings in no way exist
Hidden in some kind of mist
Memories I still can't find
They all have gone, far away in mind

I'm lying in a prison, into lethargy I dive - buried alive

Feelings in no way exist
Hidden in some kind of mist
Memories I still can't find
Where are they now, far away in mind

I'm lying in a prison, into lethargy I dive - feel like
I'm lying in my prison, into lethargy I dive - buried alive
