Now there comes a time in every man's life
Where decisions have to be made
Whether to toil, to labor
Or just plain piss your days away, away, away

Got a funny feeling that my times are caught in a jar
Madness and insanity have arrived
Note to Christ and everyone else
My times are caught in a jar
Satan's grin is baring down on me

Up in the morn', here comes the day
God knows I hate it this way
When I'm in the casket life, fightin' the wife
Neglectin' the kids, spendin' time on ridiculous bids
The four walls are closin' in

Got a funny feeling that my times are caught in a jar
Madness and insanity have arrived
Note to Christ and everyone else
My times are caught in a jar
Satan's grin is baring down on me

Got a funny feeling that my times are caught in a jar
Madness and insanity have arrived
Note to Christ and everyone else
My times are caught in a jar
Satan's grin is baring down on me

Got a funny feeling that my times are caught in a jar
Madness and insanity have arrived
A note to Christ and everyone else
My times are caught in a jar
Satan's grin is baring down on me

Got a funny feeling that my times are caught in a jar
Madness and insanity have arrived
A note to Christ and everyone else
My times are caught in a jar
Satan's grin is baring down on me

Got a funny feeling that my times are caught in a jar

Madness and insanity have arrived
