At the first sign of hardship
Many bite the hand that feeds
And whe there's trouble
Others simply cut and run
And when there's fear
A man will slit the throat of his neighbor
In a desperate search for comfort and love

Don't tear us apart
Don't tear us apart
Don't tear us apart
Don't tear us apart
Will you show some heart
And end this trouble where it starts
You won't tear us apart

When your spirits are down
And you've lost your way
And man's charakter once again
Falls on it's face
Will somebody please
Come aid those helpless in need
And renew our faith in this human race

Don't tear us apart
Don't tear us apart
Don't tear us apart
Don't tear us apart
Will you show some heart
And end this trouble where it starts
You won't tear us apart

Don't tear us apart - Oooh-oooh-oooh
You've gotta show some heart - Oooh-oooh-oooh
Don't tear us apart - Oooh-oooh-oooh
You've gotta show some heart - Oooh-oooh-oooh

At the first sign of hardship
Many bite the hand that feeds
And whe there's trouble
Others simply cut and run

And when there's fear
A man will slit the throat of his neighbor
In a desperate search for comfort and love

Don't tear us apart
Don't tear us apart
Don't tear us apart
Don't tear us apart
Will you show some heart
And end this trouble where it starts
You won't tear us apart

Will you show some heart
And end this trouble where it starts
You won't tear us apart
Oooh-oooh-oooh
