Riot tonight everybody let's go
Gonna start a fight but with who I don't fuckin' know
Riot tonight everybody let's go
Gonna start a fight but with who I don't fuckin' know

It doesn't take a big man to knock somebody down
Just a little courage to lift him off the ground
This world is not what it seems
These beer balls are ruining my dreams

Riot tonight everybody let's go
Gonna start a fight but with who I don't fuckin' know
Riot tonight everybody let's go
Gonna start a fight but with who I don't fuckin' know

It doesn't take a big man to knock somebody down
Just a little courage to lift him off the ground
It doesn't take a big man to knock somebody down
Just a little courage to lift him off the ground

This world is not what it seems
These beer balls are ruining my dreams, go

Stabbed in the back one too many times to count
Master of the sucker punch burned his bridges from
the past
Beaten and attacked but no one seems to give a shit
'Cause he had it coming you made your bed now sleep
in it

It doesn't take a big man to knock somebody down
Just a little courage to lift him off the ground
It doesn't take a big man to knock somebody down
Just a little courage to lift him off the ground

This world is not what it seems
These beer balls are ruining my dreams
