Riot tonight everybody let's go gonna start a fight but
with who I don't know (2x)

chorus: Doesn't take a big man to knock somebody
down just a little courage to lift him off the ground

This world is not what it seems these beer balls are
ruining my dreams.

Riot tonight everybody lets go gonna start a fight but
with who I don't know (2x)

chours:

Stabbed in the back one too many times to count,
master of the sucker punch, burned his bridges from
the past. Beaten and attacked, but no one seems to
give a shit, cause he had it coming you made your bed
now sleep in it!

This world is not what it seems these beer balls are
ruining my dreams
