Tammy flunked a test yesterday and all she does is cry
if they kick her off the cheerleaders squad
she knows she's gonna die
she can't even go home at night because she is so
afraid
that her parents might ground her
'cause she didn't make the grade
now her friends won't understand they might even
laugh at her,
now she's feeling overwhelmed succumbing to the
pressure
so she wrote a little note and addressed it to her mom
she said i hope this brings you peace
pray for me until i'm gone.

for school
she can't take another day of her girlfriends being

she's great on all the football fields ringing out all the
cheers
but in the halls of school she gets tormented by her
peers
as long as she's a cheerleader everything's gonna be

just to be excepted once, was her one and only wish
but she never was at all
she sliced her lovely wrists.

everyone thought she was stupid
always lost in a big dream
and they named her shitt was stinging cause of the

all the girls would laugh behind her back
and the boys stopped the ball to mock
and now she's feeling so bad she's refusing to speak
her parents are a bit worried
she hasn't spoken in a week
it's like she's crying out for help and it seems she lost

all hope
her parents found her a day later hanging from a
knotted rope.

Nancy's got the worst of it because she's prettiest
everyone thinks she's conceited she always looks her
best
she goes out with all the football guys and every one
thinks she
