Well we started shooting hoops  
Now we're sipping Black and Tans  
From the park to the pub was the course we ran  
The times have changed, but friends remain  
My heart and soul's with you  
'Cause one thing's for sure, I always swore  
I'd never turn my back on you

Never turned our backs  
Stuck together through and through  
The times have changed  
But my heart and soul's with you  
Wouldn't turn your backs  
And you didn't walk away  
We'd never run, we'd stand as one  
And this is what we'd say

Times were tough  
But the memories remain  
Situations rough but we overcame  
Side by side, one for all  
Together we grew  
'Cause when it's said and done  
I'll look back on friends like you

When I was down and I was out  
And no one liked my games  
One too many fights and bloody night  
For which I was to blame  
But you wouldn't turn your backs  
And you didn't walk away  
'Cause we'd never, we'd stand as one  
Until this very day

Never turn our backs  
Together through and through  
The times have changed  
But my heart and soul's with you  
Wouldn't turn your backs  
And you didn't walk away  
We'd never run, we'd stand as one  
Until this very day

Times were tough  
But the memories remain  
Situations rough but we overcame  
Side by side, one for all  
Together we grew  
'Cause when it's said and done  
I'll look back on friends like you

Times were tough  
But the memories remain  
Situations rough but we overcame  
Side by side, one for all  
Together we grew  
'Cause when it's said and done  
I'll look back on friends like you, like you, like you
