May the road to rise to meet you and the wind be at
your back
And that's what dear old Dad would say
Remember, you're a man when you finally have
your moment
See fate and fortune come your way

I wouldn't take your wisdom, Dad, I thank you for
your time
You said, some keep on working 'til the stars, one
day, align
But maybe luck I'll see them shine on stubborn fools
like me and you
Make the most of what they give ya, to yourself you
must be true

To yourself you must be true

I don't wanna live to fight another day
If things don't always go our way
I don't wanna live to fight another day
That's what my old man would say

May the spirits all be with you, when the devil turns his
back
When the day is at its darkest, an anxiety attack
Call on me to see you through it, call on me to be your
guide
I'll be there, so when you need me I'll be
standing by your side

I'll be standing by your side

I don't wanna live to fight another day
If things don't always go our way
I don't wanna live to fight another day
That's what my old man would say

My hero, Maharr!
My hero, Maharr!
My hero, Maharr!

My hero, Maharr!

To yourself you must be true!
To yourself you must be true!

I donâ€™t wanna live to fight another day
If things donâ€™t always go our way
I donâ€™t wanna live to fight another day
Thatâ€™s what my old man would say

My hero
My hero
