- Music: Barton, Kelly Lyrics: Casey -

The scene often changes, the kids come and go but
history's for sure and this much I know. the root of
tough music for america's youth was old school
hardcore, you know it's the truth!

Chorus: This is my world, wolfpack, last rights. The kids
will have their say another wasted night.

There's many forms of music, and they all play a part,
as long as the meaning comes straight from the heart.
So open you eyes and please use your brain, 'cause
Punk, Oi!, and Hardcore, are one in the same

Chorus:

Because today we carry on, and the numbers have
grown, A social movement that we call our own. So
Let's stick together with our friends at our backs,
because the climate is changing, We're on the ATTACK!

Chorus:
