It's Friday night and the street's filled with freaks
Come and watch as the useless flock to the beat
Of the techno noise that enhances their high
A bombs gonna blow and I think you know why

Everybody's running out, bodies hit the ground
You'd better take cover
It's a pipebomb on Lansdowne

Everybody's running out, bodies hit the ground
You'd better take cover
It's a pipebomb on Lansdowne Street

There's no room for dancing on your precious floors
'Cause you've got to save space for the jocks and
whores
You say that our shows are for violent thugs
But we're not the ones on designer drugs

Everybody's running out, bodies hit the ground
You'd better take cover
It's a pipebomb on Lansdowne

Everybody's running out, bodies hit the ground
You'd better take cover
It's a pipebomb on Lansdowne Street

It's not a bunch of little kids we're out to harm and
maim
So make sure the night you hurl the pipe there's no
baseball game
Look for flyers, check the phoenix, are there any
decent shows
If Keith Bennett isn't working then the bomb is good to
go

Everybody's running out, bodies hit the ground
You'd better take cover
It's a pipebomb on Lansdowne

Everybody's running out, bodies hit the ground
You'd better take cover

It's a pipebomb on Lansdowne
Pipebomb on Lansdowne
Pipebomb on Lansdowne Street
