Now I saw a man stand up one day and fight to save his  
life

Just a common worker, supporting his kids and wife  
He put a plug in his jug, things looked up for sure  
But the whole damn thing of it was there is no blasted  
cure

Now I saw a man stand up one day and fight to save his  
life

Just a common worker, supporting his kids and wife  
He put a plug in his jug, things looked up for sure  
But the whole damn thing of it was there is no blasted  
cure

I've seen a few men go  
(The road of the righteous)  
And a few have traveled  
(This old lonely path)  
I've seen a few men go  
(The road of the righteous)  
By God I'm sure we'll see some more  
(Go their blessed way)

Hey it's gonna, take some foot work to get you on your  
way  
They'll be pit-faults and some cat-calls  
But hard you must persist  
'Cause life is so precious ad we have only got one shot  
So if you move along and you stay  
God strong all the treasures will be got

I've seen a few men go  
(The road of the righteous)  
And a few have traveled  
(This old lonely path)  
I've seen a few men go  
(The road of the righteous)  
By God I'm sure we'll see some more  
(Go their blessed way)

Go, go, go, go  
Go, go, go, go

Go, go, go, go  
Go, go, go, go

I've seen a few men go  
(The road of the righteous)  
And a few have traveled  
(This old lonely path)  
I've seen a few men go  
(The road of the righteous)  
By God I'm sure we'll see some more  
(Go their blessed way)

Now I saw a man stand up one day and fight to save his  
life  
Just a common worker, supporting his kids and wife  
He put a plug in his jug, things looked up for sure  
But the whole damn thing of it was there is no blasted  
cure

I've seen a few men go  
(The road of the righteous)  
And a few have traveled  
(This old lonely path)  
I've seen a few men go  
(The road of the righteous)  
By God I'm sure we'll see some more  
(Go their blessed way)

Go, go, go, go  
Go, go, go, go  
Go, go, go, go  
(Go their blessed way)
