His fist was raised with fury
The signal came at dawn
An army at the ready
Their vengeance will be strong

The kingdom - will always break its word
The mighty - will soon fall on their sword
For freedom - the battle rages on
The righteous - will be here when you're gone

The Forces clashed with courage
The two worlds did collide
It echoed through the ages
They bravely gave their lives

The kingdom - will always break its word
The mighty - will soon fall on their sword
For freedom - the battle rages on
The righteous - will be here when you're gone

The battle rages on!
We'll be here when you're gone!

His fist was raised with fury
The signal came at dawn
An army at the ready
Their vengeance will be strong

The kingdom - will always break its word
The mighty - will soon fall on their sword
For freedom - the battle rages on
The righteous - will be here when you're gone
