I don't mind  
All the guys dancing with my girl  
That's fine  
I know them all pretty well  
Chorus:  
But i know sometimes i must get out in the light  
Better leave her behind, where the kids are alright  
Sometimes  
I feel i gotta get away  
Bells chime  
I know i gotta get away

Chorus:  
And i know if i don't i'll go out of my mind  
Better leave her behind, where the kids are alright  
I know if i go things' i be a lot better for her  
I had things planned but her folks wouldn't let her  
I don't mind  
All the guys dancing with my girl  
That's fine  
I know them all pretty well  
Chorus:  
But i know sometimes i must get out of the light  
Better leave her behind, where the kids are alright  
Sometimes  
I feel i gotta get away  
Bells chime  
I know i gotta get away  
Chorus:  
And i know if i don't i'll go out of my mind  
Better leave her behind, where the kids are alright
