A felling inside
In the back of my head
Like a song I still know
From so long ago
And I wouldn't change a thing
Like a car driving by
Triggers something in my mind
Am I retrieving my direction?
Or just charging forward line?

Am I everything that you wanted me to be?
Have I lost that conditional connection I couldn't see?
To the end
Like a friend
Stands by you again
And I wouldn't change a thing
Toe-to toe
Friend or foe?
It's all that I know
And I wouldn't change a thing

As the years pass us by
Will I still make the grade?
Can I really offer anything?

And will my soul be saved?
Can you cleanse me up?
Drive out the swine?
Am I only falling farther?
Can you keep me safe from harm?

The memories you build
In the house on the hill
Would you really change a thing?
Corrected mistakes in a world full of hate
Never changes anything

Till the end
Like a friend
Stands by you again
Toe-to-toe
Friend or foe?

It's all that I know

Till the end

Like a friend

Stands by you again

And I wouldn't change a thing

Toe-to-toe

Friend or foe?

It's all that I know

And I wouldn't change a thing
