I don't wanna talk about it,
Because it means I'm thinkin' of you
I don't wanna think it over,
Because it means I'm thinkin' it's true
I'm tryin' to catch the fallin' pieces,
But you're always in the way
I'm tryin' to be the voice of reason,
But I don't know what to say, no

I can't see you for him
There's no doubt, all my friends say
You were the best thing I ever had
You were the best thing that ever happened to me
You were the best thing I ever had
Baby, baby, baby, baby

Well I wake up with this lonely feelin'
Can't stop me from bein' alone
I can't shake this lonely feelin'
It's the worst I've ever known

I can't see you for him
There's no doubt, all my friends say
You were the best thing I ever had
You were the best thing that ever happened to me
You were the best thing I ever had
Baby, baby, baby, baby

Well it's time to let you go...
And it's time to let you go...
Let you go...

Wake up with this lonely feelin'
Can't save me from bein' alone
I can't shake this lonely feelin'
It's the worst I've ever known

I can't see you for him
There's no doubt, all my friends say
You were the best thing I ever had
You were the best thing that ever happened to me
You were the best thing I ever had

Baby, baby, baby, baby

Baby, baby, baby

I said, baby, baby

I can't do this

Baby, baby, I can't feel this

Baby, baby, I can't leave this

I can't leave this

I can't give it away
