They don't know me,
Me for who I'm not,
Wait until the clock strikes,
To make a break for it.
And those who came before me,
Tell you the real story,
From underneath the spell.

You're so beautiful
And I wonder who you are
You're so beautiful
Like the sky beneath the stars
You're so beautiful
Di dee di, di

Still the mornin',
Is anyone awake?
Remember what it feels like,
To be okay with this.
With nowhere else to walk to,
The family if you have to,
I'm remembering this moment.

You're so beautiful (do, do, do, do, do)
And I wonder who you are
You're so beautiful (do, do, do, do, do)
Like the sky beneath the stars
You're so beautiful (do, do, do, do, do)
Di dee di, di

When the smoke clears,
Feels like it's going to explode, here.
In a word,
I'll keep tryin', I'll keep tryin'.

Do, do, do, do, do, do
(3x)

Beautiful
And I wonder who you are
Beautiful
Like the sky beneath the stars

Beautiful
(Do, do, do, do, do, do)
Like the sky beneath the stars
Beautiful
(Do, do, do, do, do, do)
Like the painting of your car
Beautiful
(Do, do, do, do, do, do)
Beautiful
(Do, do, do, do, do, do)
Beautiful
