Thank you my inspiration; the girl that I'm hating and  
not worth waiting for.

You made this way too easy, when I'm down on my  
knees, you're screaming at me.

Coming back to me is wishful thinking and you know  
that I'll be thinking of you.

Sweetheart, you are my actress of the year.  
This is by far your best performance.

I want you to know that I'll miss you, but I won't be there  
when you get home this time.

You ripped my heart out for the last time and it's  
waiting on your dresser baby, don't cry.

Coming back to me is wishful thinking and you know  
that I'll be thinking of you. [x2]

Sweetheart, you are my actress of the year.  
This is by far your best performance.

If this were our movie, you'd say your lines to me and  
I'd believe every word you said.

If this were our movie, you'd say your lines to me and  
make me fall in love again. [x2]

Sweetheart you are my actress of the year.  
This is by far your best performance. [x2]
