The phone line that connects you to another can be  
used to hang me, hanging on.

Those lips that said I love you kissed him and said  
we're through.

Best friends means you won't leave me, you're one that  
I won't be needing,  
So much for good friends just goodbyes.

I got to tell you that I didn't see this coming,  
After two years the surprises just keep coming.  
Everything you ever said never meant that you would  
stay.

Best friends means you won't leave me, you're one that  
I won't be needing,  
So much for good friends just goodbyes, yeah.
