I don't know how to put these feelings into words,
To sum it up I want to be what you deserve,
Are you jaded,
You're appreciated,
I can relate it's a new sensation.

From my heart to yours,
I've never sang like this before.

Cupid found his mark,
Shot his arrow through our hearts,
Said he planned it from the start,
My valentine,
I'll kiss every scar,
That's been planted on your heart,
And love you for who you are,
My valentine.

Forget to breathe when you're around,
Heart skips a beat and falls right out,
I just can't breathe or make a sound,
Cause you're too beautiful right now,
Forget to breathe when you're around,
Heart skips a beat and falls right out,
I just can't breathe or make a sound,
Cause you're too beautiful right now,
Inside and out.

Cupid found his mark,
Shot his arrow through our hearts,
Said he planned it from the start,
My valentine,
I'll kiss every scar,
That's been planted on your heart,
And love you for who you are,
My valentine.

I'm not the flowers and candy kind of guy,
I won't lie,
I'll write this song with our names across the sky,
I'm not the flowers and candy kind of guy,
I won't lie,

I'll write this song with our names across the sky.

Cupid found his mark,
Shot his arrow through our hearts,
Said he planned it from the start,
My valentine,
I'll kiss every scar,
That's been planted on your heart,
And love you for who you are,
My valentine.
Cupid found his mark,
Shot his arrow through our hearts,
Said he planned it from the start,
My valentine,
I'll kiss every scar,
That's been planted on your heart,
And love you for who you are,
My valentine.
