

Dropout Year "There's A Fine Line"

Visit "[There's A Fine Line](#)" on MotoLyrics.com

They said,
shut up and listen we've heard your excuses,
your life is a little more useful than useless,
you've got potential,
to change your life with a pencil,
and this problems much too big,
for us just to ignore,
we're here for you now,
like you've been there before.

Save me from myself,
I'm begging you to help,
I'm not too proud,
Save me from myself,
I'm begging you to help,
I'm not too proud.

I'll smile,
like I haven't lied in a while,
like I haven't to myself,
or lied to everyone else,
I hide,
in a bottle and it lies,
but I cannot disguise,
these tears that fill my eyes.

Save me from myself,
I'm begging you to help,
I'm not too proud,
Save me from myself,
I'm begging you to help,
I'm not too proud.

If I could,
then I would,
replace this pain,
if I could,
then I would,
make you relate.

Save me from myself,
I'm begging you to help,

I'm not too proud,
Save me from myself,
I'm begging you to help,
I'm not too proud.

It's do or die,
I'll swallow my pride,
I'll be just fine,
I've got all my friends by my side,
It's do or die,
I'll swallow my pride,
I'll be just fine,
I've got all my friends by my side.
