Do you still think about me?
Wanna wrap your arms around me?
Want to feel the way we felt when we were younger?
I gave up way too easy, thought that you didn't need
me,
Thought that you didn't care I thought too much.
And you say things like this come unexpectedly
And on the phone you said you weren't expecting me.

Miss the way you sounded, can't wrap my head around
it,
All I want to do is wrap my arms around you.
Miss the way you tasted, I was afraid to say it.
All I wanna do is wrap my arms around you.

Do you remember your song that stopped playing when
I was gone?
Well I'm back, so baby turn that stereo on.
Do you remember our pond? I held you deep in my
arms.
We've grown up but we haven't grown apart.

And you say things like this come unexpectedly,
And on the phone you said you weren't expecting me.

Miss the way you sounded, can't wrap my head around
it,
All I wanna do is wrap my arms around you.
Miss the way you tasted, I was afraid to say it.
All I wanna do is wrap my arms around you.

And I'll save every letter if you save every song.
I'll tell you you're beautiful and tell you I was wrong.

Why try one more time? [x4]

Just try, goodbye.
