Let's profess our love tonight; I must confess it feels so right.

I'll undress you with my eyes, and your heart is my nightlight.

Think this through, no pressure you want to remember tonight forever as do I.

So the stars will be our audience tonight,
Simply perfection just wouldn't describe you in the light.

[x2]

So I stole your innocence, so passionate yet meaningless.

How could I know that I'd regret the perfect evening and the night that I spent with you?

Think this through, no pressure you want to remember tonight forever as do I.

So the stars will be our audience tonight,
Simply perfection just wouldn't describe you in the light.

[x2]

So the stars will be our audience tonight,
Simply perfection just wouldn't describe you in the light.

So the stars will be our audience tonight,
Simply perfection just wouldn't describe you

So passionate, yet meaningless!

So passionate, yet meaningless to you!
