Iâ€™ve had more than my share of
Girlfriends, and donâ€™t ever care to
Keep them for more than a year, but
Tonight while safely asleep Iâ€™ve
Fallen into this dream

Where Lucy and I are together forever
A love far too good to be true

And when I wake up
I wanna be happy
So donâ€™t forget me
When I wake up
I wanna be happy
So donâ€™t forget me

We socialize often times in our own corner
Of the partyâ€™s audience chatting with each otherâ€™s
Exes and friends we made love with
Circling the crowd
Speaking very loud
So we can find each other, steal a kiss and cop a feel
In front of everyone
And at the end of the night weâ€™re stable and able
To keep things from falling apart

And when I wake up
I wanna be happy
So donâ€™t forget me
When I wake up
I wanna be happy
So donâ€™t forget me

I feel my heart tickin' away like a clock
Feel my heart tickin' away like a clock
Feel my heart tickin' away like a clock
My heartbeatâ€™s tickin' away like a clock
Feel my heart tickin' away to an alarming end
To an alarming end

And when I wake up
I wanna be happy

So don't forget me
When I wake up
I wanna be happy
So don't forget me
