

## Dropping Daylight

### "She Said"

Visit "[She Said](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Monday  
Morning  
Plays the part of  
Each week's bitch  
And today's no  
Exception  
Woke up late  
And had to take a  
Phone call  
Breathing  
Innocently  
For me to take a  
Beating  
Brief me  
Just a copy  
Short and painless

Chorus  
She said  
Be my lover  
Spend our  
Lives together  
She said  
Be my lover  
Spend our  
Lives together

Yeah

Akward  
Silence  
I try to smile but  
Any attempt is  
Useless  
When a  
Three year old flame  
Is trying to get a  
Bite on  
Somehow  
Shamelessly sincere  
'Till I say

Sorry  
Your request  
Arrived a  
Year too late

Chorus

You've got a coffee  
Break at two  
What made me want  
A life alone with you  
After all you've done  
What did you think I'd do  
You've got a coffee  
Break at two  
What made me want  
A life alone with you  
After all you've done  
What did you think I would do

Chorus  
She said  
Be my lover  
Spend our  
Lives together  
Yeah
