Chorus

This is heaven  
This perfect moment  
Where we are helpless  
Weak and honest

The next five minutes  
Turns the story  
We speak clear heaven  
'Till the feeling starts  
Fading away

We're feeling so proud  
'Till we get out  
'Till we get out  
We're feeling so proud  
Feeling so proud  
Feeling so

Chorus

This is heaven  
For the last time  
'Till next time  
This is heaven  
For the last time  
'Till next time  
Yeah

We're feeling so proud  
'Till we get out  
'Till we get out  
Feeling so proud  
Feeling so proud  
Feeling so

And if tonight was right  
We probably already know  
And if it was wrong  
It's better if I go  
There's no point in telling lies

When you've nothing left to give  
I'm telling you that...

This is heaven (This is heaven)  
For the last time (This perfect)  
'Till next time (Moment)  
This is heaven (Where we are helpless)  
For the last time (So weak and)  
'Till next time (Honest)  
This is heaven (This is heaven)  
For the last time (This perfect)  
'Till next time (Moment)  
This is heaven (Where we are helpless)  
For the last time (So weak and)  
'Till next time (Honest)
