[Black Milk:]

Ayo

Long awaited, Debated

But fuck it here we are brah,

Here to save the game just like memory card

Memory loss to cali dro

to Amsterdam, out on the patio

Rockin like a Beatle I should record up in Abbey Road

Bet he flow talkin that

Hoodrich, money talk

Hoodrich, Black male

With music thats always in the hood like crack sales

Or out in the burbs like E pills

He feels niggas canâ€™t fuck with him

Shows, plenty fans round the globe screamin out you

niggas canâ€™t fuck with him

(yep yep)

Hit â€™em with that new shit

Hittin off a new chick

That want me in her mouth like a toothpick

Who flips better heat? See this shits timeless

While yaâ€™ll niggas got bad timing like teen

pregnancies

Better be, Better see

we comin with better heat

[Danny Brown:]

Sittin on some Kobeâ€™s

Smoking on a stogie

Bangin Noreaga

When Iâ€™m done I lite the bogie (what, what)

40 on the floor mat a leave ya holey moley

Banana in her tailpipe a make her Axel Foley

Eatin on perogies

Goose mixed with Sobe

Smokin on a OZ

Pimpin like a O.G.

If u never knew me then u prolly never know me

Blade on me homey mask on like Shinobi

Ball so hard, gotta MVP trophy

Blow so much kush I forget the hoes that blow me

Thick white bitch slurp a nigga like Kirby

Hoes on a nigga and they all look thirsty

Say they 19 and they all look 30
Everyday clean yall always dirty
Chronic coming in same bag as a turkey
Dark color purple and its tasting like Hershey
