Hear me now
Iâ€™m
Still awake
And I wonder
If you know
How
Much it takes
To be your sleeping killer
Canâ€™t you forget
The stolen dreams of moments
That have gone away

Iâ€™m building solid fences
With holes for you to hide
Iâ€™m taking all your chances
As long as youâ€™re alive

Iâ€™m fighting, Iâ€™m lying , Iâ€™m hiding
Just trying to love again
Forgive your broken child
Iâ€™m bleeding, Iâ€™m weeping, Iâ€™m creeping
Just searching for a name
Believe your broken child again

Hear me now
Iâ€™m on my way a
And I wonder
Do you know
Iâ€™m here to stay
Swallowing your reasons
Hiding away
Stealing your illusions
Of what you ought to be

Iâ€™m hiding in the badlands
Of all your sacred dreams
I take my life in your hands
cause youâ€™re everything to me

Iâ€™m fighting, Iâ€™m lying , Iâ€™m hiding
Just trying to love again
Forgive your broken child

Iâ€™m bleeding, Iâ€™m weeping, Iâ€™m creeping
Just searching for a name
Believe your broken child again

Remember the secrets I showed you on the way
Like golden stones of pain
Your dreams and your laughter are growing on my clay
You need me just the same
