

Drowned "Reign Of Slaughters"

Visit "[Reign Of Slaughters](#)" on MotoLyrics.com

This is the world ruled by the Christian conduct.
Years of suffering and extreme violence...
They forge demons and devils
To justify the decadence of their ideology.

Christian kids are sleeping
In a cradle of wickdness.
Dawn on kness and learn
To accept the Christian hell.

Representative pedophile...
Profane the innocent souls.
This is the reign ruled
By the Christian hypocrisy.
Reign of slaughters.

This is the earth ruled
By the Christian tyranny.
They make you suffer
And believe in malevolencies.
This is the place ruled
By the Christian agony.
Their heaven is a hell of prejudices
To punish the scum.
