We'll all change  
We'll all age  
What we know  
Will turn strange  
We think we'll  
Stay the same  
For always  
And ever

And nothing  
And no one  
Is forever

I'll love you  
Forever  
Will never  
Forget you

As times change  
And times fade  
And our past  
Turns estranged

When life's spent  
And lonely  
I'll remember

Let's make it the times of our lives  
I'll miss you  
Let's make this time worth our while  
I'll miss you  
Never forget these times  
I'll miss you  
You'll stay young in my heart  
Always in my heart
