"Less Than Zero"

Negative, negative seems to multiply.
Confidence, confidence seems to run and hide.
Can't you see, can't you see this is just a waste,
Waste of time, waste of love, waste of fucking space?

Don't you see how I deal with insecurity?
So much more inside that you'll never see.
Hope to God you never have to understand
I'm a shell of a man.

Oh my God no...
Lord I'm feeling less than zero.
Here it comes again, oh no...
Lord I'm feeling less than zero.
Lord I'm feeling less than zero, go.

Sometimes it's easier than other days.
I kill myself too much and in too many ways.
Breakdown, breakthrough? I don't think so.
Strong enough to never ever let it go.

Can't you see how I deal with insecurity?
So much more inside that you'll never see.
Hope to God you never fucking understand
I'm a shell of a man.

Oh my God no...
Lord I'm feeling less than zero.
Here it comes again, oh no...
Lord I'm feeling less than zero.
Lord I'm feeling less than zero.

Progress is mirrored in my futility,
I don't care it never mattered anyway.
Come get another piece of misery,
My shrink is always here to save me.

Oh my God no...
Lord I'm feeling less than zero.
Here it comes again, oh no...
Lord I'm feeling less than zero.

Lord I'm feeling less than zero, go.
Lord I'm feeling less than zero.
Lord I'm feeling less than zero.
I'm feeling less than zero.
