No!

Another star drive made the headlines  
So the story on the TV  
What a shame but I have to say

But I think you've lost your way  
You can't fix it so you f\*ck it,  
Turn the channel to ..  
What about the broken tears for the ones who pay the  
way.

Chorus:

First win and last ..out  
Live for something  
Never surrender and never back down  
Die for nothing  
..and take life  
Never give in and never give up  
Live for something  
Die for nothing.

I'm the only you can turn to  
And the only one you would stand true,  
You'll never learn so you're gonna burn  
for the stones that you're true  
'cause the.. this is my life now  
Hard try this is my life now,  
Think twice when you open your mouth.

[Chorus:]

Live for something  
Die for nothing.

All we do is..  
..change into your heart made  
Gotta ..you can't skip to  
We're gonna die 'cause we never gonna learn.

[Chorus:]

Live for something

Die for nothing.
